THE CVT CONNECTION

CONNECTIONS MATTER

THIS CO-OP MONTH WIN BIG BY SUPPORTING LOCAL!

October is National Co-Op Month, an exciting time to lift up the people-centered businesses at the heart of our communities. This October, Copper Valley Telecom would like to encourage you to shop and support locally-owned establishments in Valdez, Glennallen, and Cordova, and in return, you could win big!

To participate, visit any locally owned business during the month of October. Make sure to keep your receipt, as it serves as your entry into the contest. When you have your receipt, please bring it to us, ensuring it is dated in October. Along with the receipt, include your name and phone number. For those who prefer electronic receipts,

show them to the CSR, and they will provide a card for you to fill out your details and enter. The deadline to enter is 6 P.M. on October 31st.

On November 4th we will announce a winner in each Valdez, Glennallen, and Cordova. The winner will take home a JBL Soundbar and an assortment of gift cards for various local small businesses!

This Co-Op Month, let's make connections that matter by supporting local businesses where you're not just making a purchase; you're fostering relationships that strengthen our community.

Happy shopping!

APPLE GRAB

Copper Valley Telecom is excited to join Copper Valley Electric at the Co-Op Month Pick-Your-Own Pumpkin Patch! We'll have a booth featuring an Apple Grab, where guests can scoop two plastic apples from our bins, reminiscent of bobbing for apples.

If the apples you scoop out each contain pumpkins, you'll win a

special coupon for one of the local food vendors present. It's a great way to support local businesses and enjoy the festive atmosphere.

Join us in Valdez on October 12th and in Glennallen on October 19th. Both events will run from 10 A.M. to 2 P.M. We can't wait to see you at the pumpkin patch and celebrate Co-Op Month together!

NEVER MISS A PLAY

Football season is here, bringing with it the excitement of thrilling college upsets and record-setting NFL action.

The 2024-2025 season promises to be one of the best yet, and with Copper Valley Telecom's fast and reliable fiber network, streaming your favorite games has never been easier, with crystal-clear picture quality right from the comfort of your home.

Navigating the many streaming options on the marketplace can be overwhelming, which is why CVT's StreamNow platform is always

available on our website to help you determine which streaming services are best for you.

For college football fans, ESPN+, Paramount+, and Peacock all stream a variety of games, including those from smaller conferences and non-primetime slots.

If the NFL games are what you're after, selecting the right live TV streaming service is critical. Most Sunday day games are broadcast on CBS and Fox, however Peacock is home to Sunday Night Football. Similarly, for Monday Night Football, check out ESPN, which streams most Monday Night Football games. And because fans need football four nights a week, Amazon's Prime Video hosts Thursday Night Football, as well!

However, by far the most complete coverage of Sunday games is NFL Sunday Ticket, available exclusively on YouTube TV.

With numerous streaming options available, catching every college or NFL game this fall is easier than ever. By choosing the right package of apps and platforms, you can enjoy all the excitement of football season without missing a single play. With Copper Valley Telecom's reliable high-speed internet you can stream all your favorite games this football season and beyond!
